

January 12, 1998

TO WHOM IT MAY CONCERN:

We hired Deano the Magic Man for our Children's Christmas party in 1997. Deano delighted and entertained with magic tricks for approximately 400 parents and children from Ernest Manning High School, Shane Homes and The Calgary Herald.

To say we were impressed, would be an understatement. The comments we received from everyone were very favourable. I noted some parents followed him out after the show, just to shake his hand and let him know they thoroughly enjoyed his performance. Deano, relates extremely well to children and has total involvement and participation from the audience.

We wouldn't hesitate in recommending Deano for your special event. I know he is certainly on the top of our list for a repeat performance.

Sincerely,

Lynette Gillanders
Human Resources Assistant
