Dear Dean,

RE: New Years Eve Family Party 1997

New Years Eve Family Party was a huge success with all the families that participated this year and I would like to thank Deano the Magic Man for being part of it.

Children of all ages thoroughly enjoyed your show. Along with the energy of your performance, there was also a high level of interaction with the children in the audience. It was great to hear the cheers and see the excitement from everyone.

I would recommend Deano the Magic Man to any event, that is looking for this type of show.

Sincerely,

Heather Cowen
Special Events Coordinator
