Dear Dean:

I would like to take this opportunity to thank you for performing at our Children's Christmas Party.

As in previous years your show was fantastic and the children had a great time.

Dean, your professionalism and love for what you do are evident through your entire show. The children as well as the adults were glued to what was happening.

I would not hesitate to invite you back and recommend your services for any event or party.

Yours truly,

Anna April
Coordinator
