

June 23, 1998

Dear Dean,

The Arbour Lake Community Barbecue was a great success on Sunday June 21, 1998 due in part to your contribution in entertaining the children and adults with your magic show.

We received numerous positive comments on how amusing and enjoyable the magic show was for the residents and their guests. The Arbour Lake Residents and Community Associations would like to thank you for the wonderful entertainment and your highly energetic performance.

I also want to thank you for your professionalism and commitment in making this barbecue a success.

Sincerely,
