Dear Dean,

I want to take this opportunity to thank "Deano the Magic Man" for performing at our Mixed League Bowling Banquet.

Your show was enjoyed by all. I think the fact that you did both the walkaround and a stage show, speaks highly of your talents.

As I watched your audience, I noted they were all glued to what was happening, yet time after time, all were surprised by the outcome of your magic moments.

In closing, we were pleased with your show and would recommend your services without hesitation.

Sincerely,

Ron Scott
Bowling Manager
