Dear Deano:

On behalf of Heritage Park and the many kids who enjoyed your show, I would like to thank you for performing at our employee Christmas party on December 21st. Judging from the smiles on the children's faces, they had a wonderful time. They especially enjoyed your balloon animals, your tricks and your sense of humour.

I would further like to thank you for your flexibility. We really appreciated you working within our strict time line, even when it altered from our original conversation.

Once again, thank you. We enjoyed your show and wish you continued success in the future.

Sincerely,

Melissa Morrison

Social Committee Member
