Dear Deano

Thank you so much for your magic show last night at the volunteer appreciation night. Everyone enjoyed it and I can see why you have the credentials that you do! Your tricks are not only amazing but your stage presentation is fantastic. Last night was my first volunteer appreciation night to organize and I thank you so much for helping my first event be a huge success. Indeed if we ever need a magician at an event here in the future I will certainly contact you and I will recommend you to anyone. Would you please pass on the enclosed to your friend John for me as I do not have an address for him.

Thanks again
